Allowable Subject Matter

Claims 2-9 are allowed.

The following is a statement of reasons for the indication of allowable subject matter:

Claim 2 recites a power converter comprises an over-voltage protection circuit coupled between at least one of the inputs of the rectifier arrangement and the midpoint of the pair of series connected capacitors, the over-voltage protection circuit comprises a series connection of zener diodes having opposite conductivity directions.

Claim 7 a power converter comprises an over-voltage protection circuit coupled between at least one of the inputs of the rectifier arrangement and the midpoint of the pair of series connected capacitors, the over-voltage protection circuit comprises a a first branch between the midpoint and a first one of the rectifier arrangement inputs, and a second branch between the midpoint and a second one of the rectifier arrangement inputs.

The references of record do not teach or suggest the aforementioned limitations, nor would it be obvious to modify those references to include such limitations.
